

Webinar on Funding to Combat the Opioid Crisis

November 20, 2019

2:00 PM EST

Offered in partnership with

Welcome and Announcements

Federal Approach

- Background Information
- White House Presentation
- Center for Disease Control Presentation

A Local Perspective

- National Association of County Administrators Presentation

Opportunities to Watch

- Adult Discretionary Drug Court Program
- Opioid Affected Youth
- Comprehensive Addiction and Recovery Act Grants
- Distance Learning and Telemedicine Program: Opioid

Looking Head to 2020

Question and Answer Period

Webinar Sponsors

White House

- **Helen Hernandez**
 - Assistant Director, Office of Drug Free Communities
- **Betty-Ann Bryce**
 - Special Advisor/Rural Lead, Office of National Drug Control Policy

Center for Disease Control

- **Dr. Rita Noonan, PhD**
 - Acting Director, Division of Overdose Prevention
 - Branch Chief, Prevention Programs and Evaluation Branch

National Association of County Administrators

- **Valmarie Turner**
 - Loudoun County Assistant Administrator

A wide-angle photograph of the Washington Monument and the Reflecting Pool in Washington, D.C. The monument is a tall, white, obelisk-shaped structure that dominates the left side of the frame. The pool in the foreground is a long, narrow body of water that perfectly reflects the monument and the sky. The sky is a pale, hazy blue. In the background, the U.S. Capitol building is visible to the left, and other city buildings and trees are scattered across the horizon. The overall scene is peaceful and iconic.

The Federal Approach

Federal funding to combat the opioid crisis increased from \$3 billion in 2017 to \$7 billion in 2018

Department	FY2017	FY2018
Health and Human Services	\$2,765,589,000	\$5,521,368,000
<i>Substance Abuse and Mental Health Services Administration</i>	\$2,603,679,000	\$3,685,479,000
<i>Indian Health Service</i>	\$6,000,000	\$6,000,000
<i>Centers for Disease Control and Prevention</i>	\$112,000,000	\$630,579,000
<i>Health Resources and Services Administration</i>	*	\$480,000,000
<i>Administration for Children and Families</i>	\$43,910,000	\$125,310,000
<i>National Institutes of Health</i>	*	\$500,000,000
<i>Food and Drug Administration</i>	*	\$94,000,000
Office of National Drug Control Policy	\$351,000,000	\$379,000,000
Department of Justice	\$194,000,000	\$515,839,484
Veterans Affairs	*	\$704,552,000
Homeland Security	*	\$261,100,000
Department of Labor	*	\$21,000,000
Total Opioid Spending	\$3,310,589,000	\$7,402,859,484

* = No opioid-specific appropriations.

2019 Year in Review

- **By the numbers:**
 - By the end of 2019, HHS will have awarded more than \$9 billion in opioid grants to states and local communities over the past three years
 - In FY 2019, CDC received \$475 million for opioid overdose prevention and surveillance activities
- **Programmatic Tendencies:** In general, opioid funding has been filtered through medical consortia, non-profits and states with limited eligibility for localities
- **State and Local Funding:** Greater local government eligibility

DRUG-FREE COMMUNITIES (DFC) SUPPORT PROGRAM

Office of National Drug Control Policy (ONDCP)

- The Office of National Drug Control Policy (ONDCP) works to reduce drug use and its consequences by leading and coordinating the development, implementation, and assessment of U.S. drug policy.
- ONDCP coordinates the drug control activities and related funding of 16 Federal Departments and Agencies.
- ONDCP also produces the National Drug Control Strategy, which outlines Administration efforts for the Nation to reduce illicit drug use, manufacturing and trafficking; drug-related crime and violence; and drug-related health consequences.

Drug-Free Communities (DFC) Support Program

What Does it Fund? By statute, the DFC Support Program has two goals:

- 1. Establish and strengthen collaboration among communities**, public and private non-profit agencies, as well as federal, state, local, and tribal governments to support the efforts of community coalitions working to prevent and reduce substance abuse among youth.
- 2. Reduce substance abuse among youth** and, over time, reduce substance abuse among adults by addressing the factors in a community that increase the risk of substance abuse and promoting the factors that minimize the risk of substance abuse.

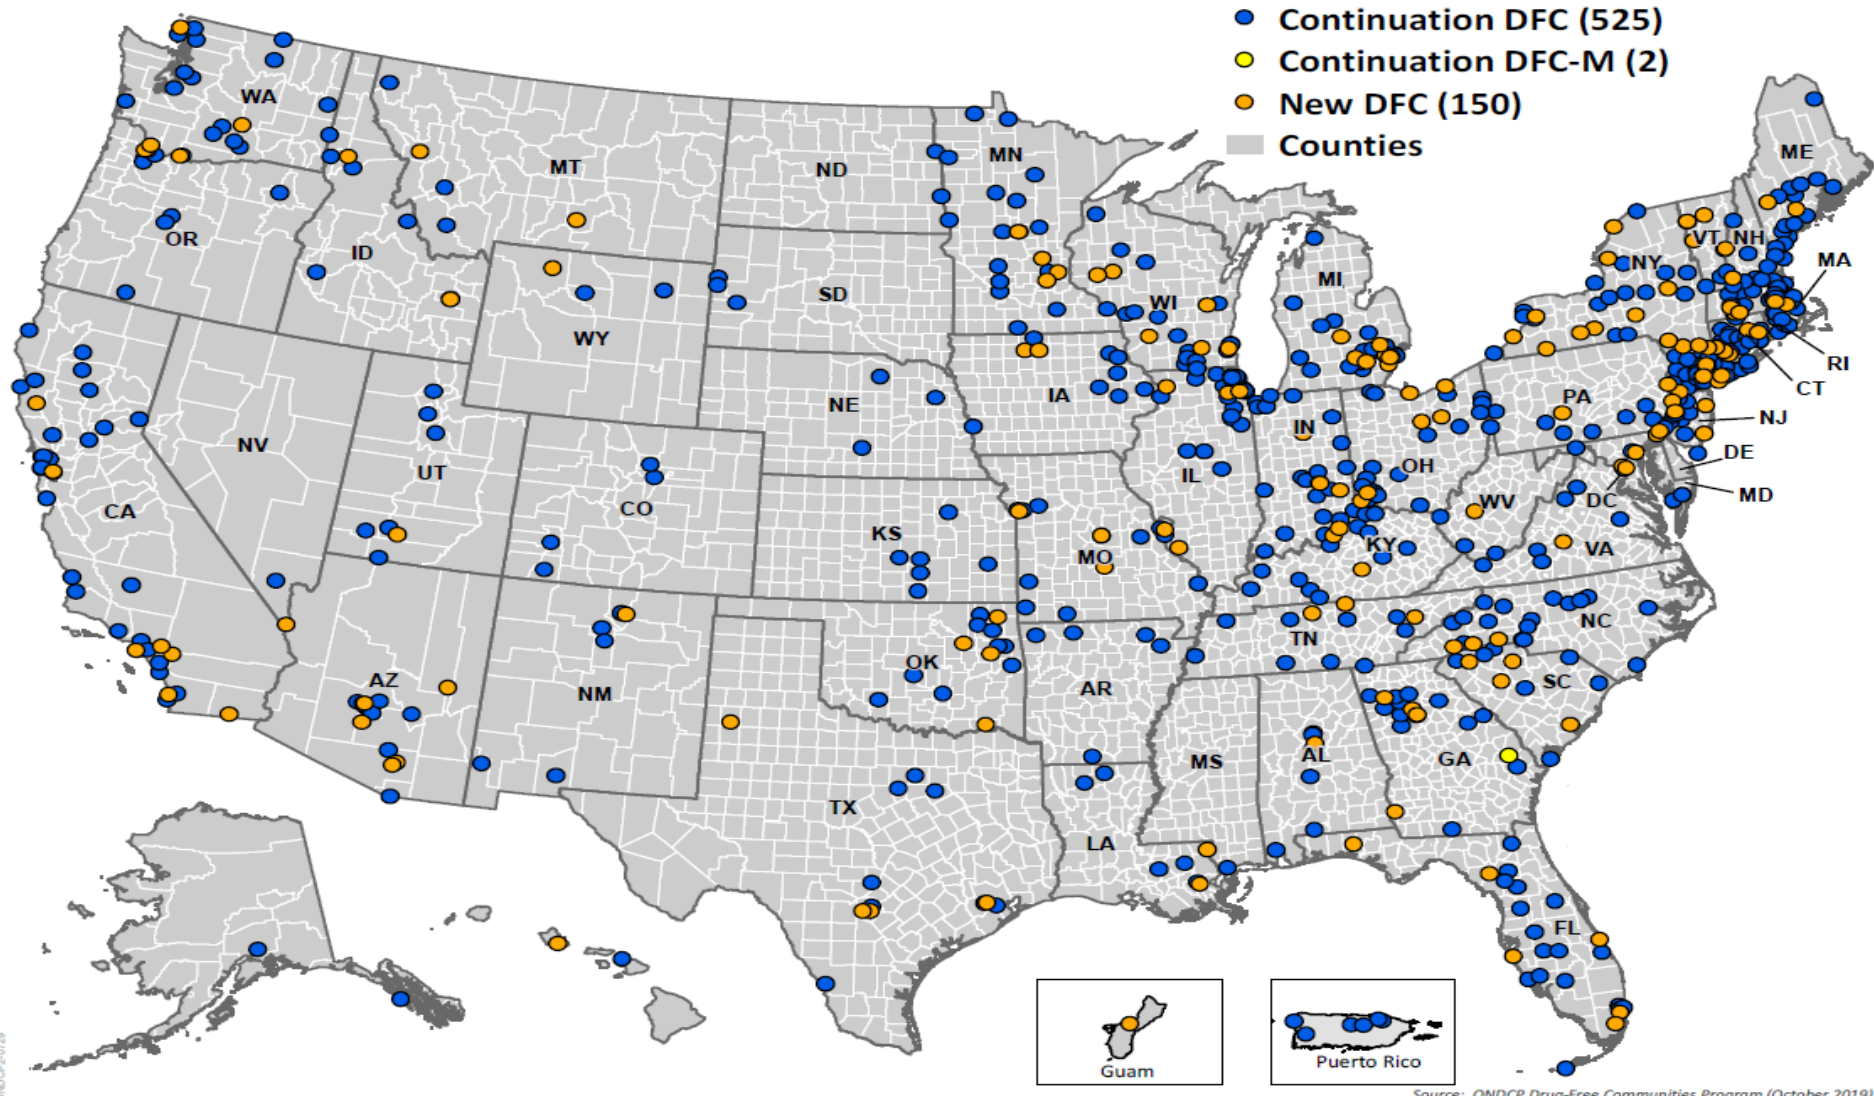

Who's Eligible? Organizations eligible to receive federal funds as DFC grant recipients must be legally recognized domestic public or private nonprofit entities.

How Much Money Can I Get? Up to \$125,000 per year for 5 years (Cash or In-Kind match is required)

When's it Out? January 2020

677+ Drug-Free Communities Program Coalitions for Fiscal Year 2019

WWW.WHITEHOUSE.GOV/ONDCP/GRANTS-PROGRAMS

Community-Based Coalition Enhancement Grants to Address Local Drug Crises (CARA) Program

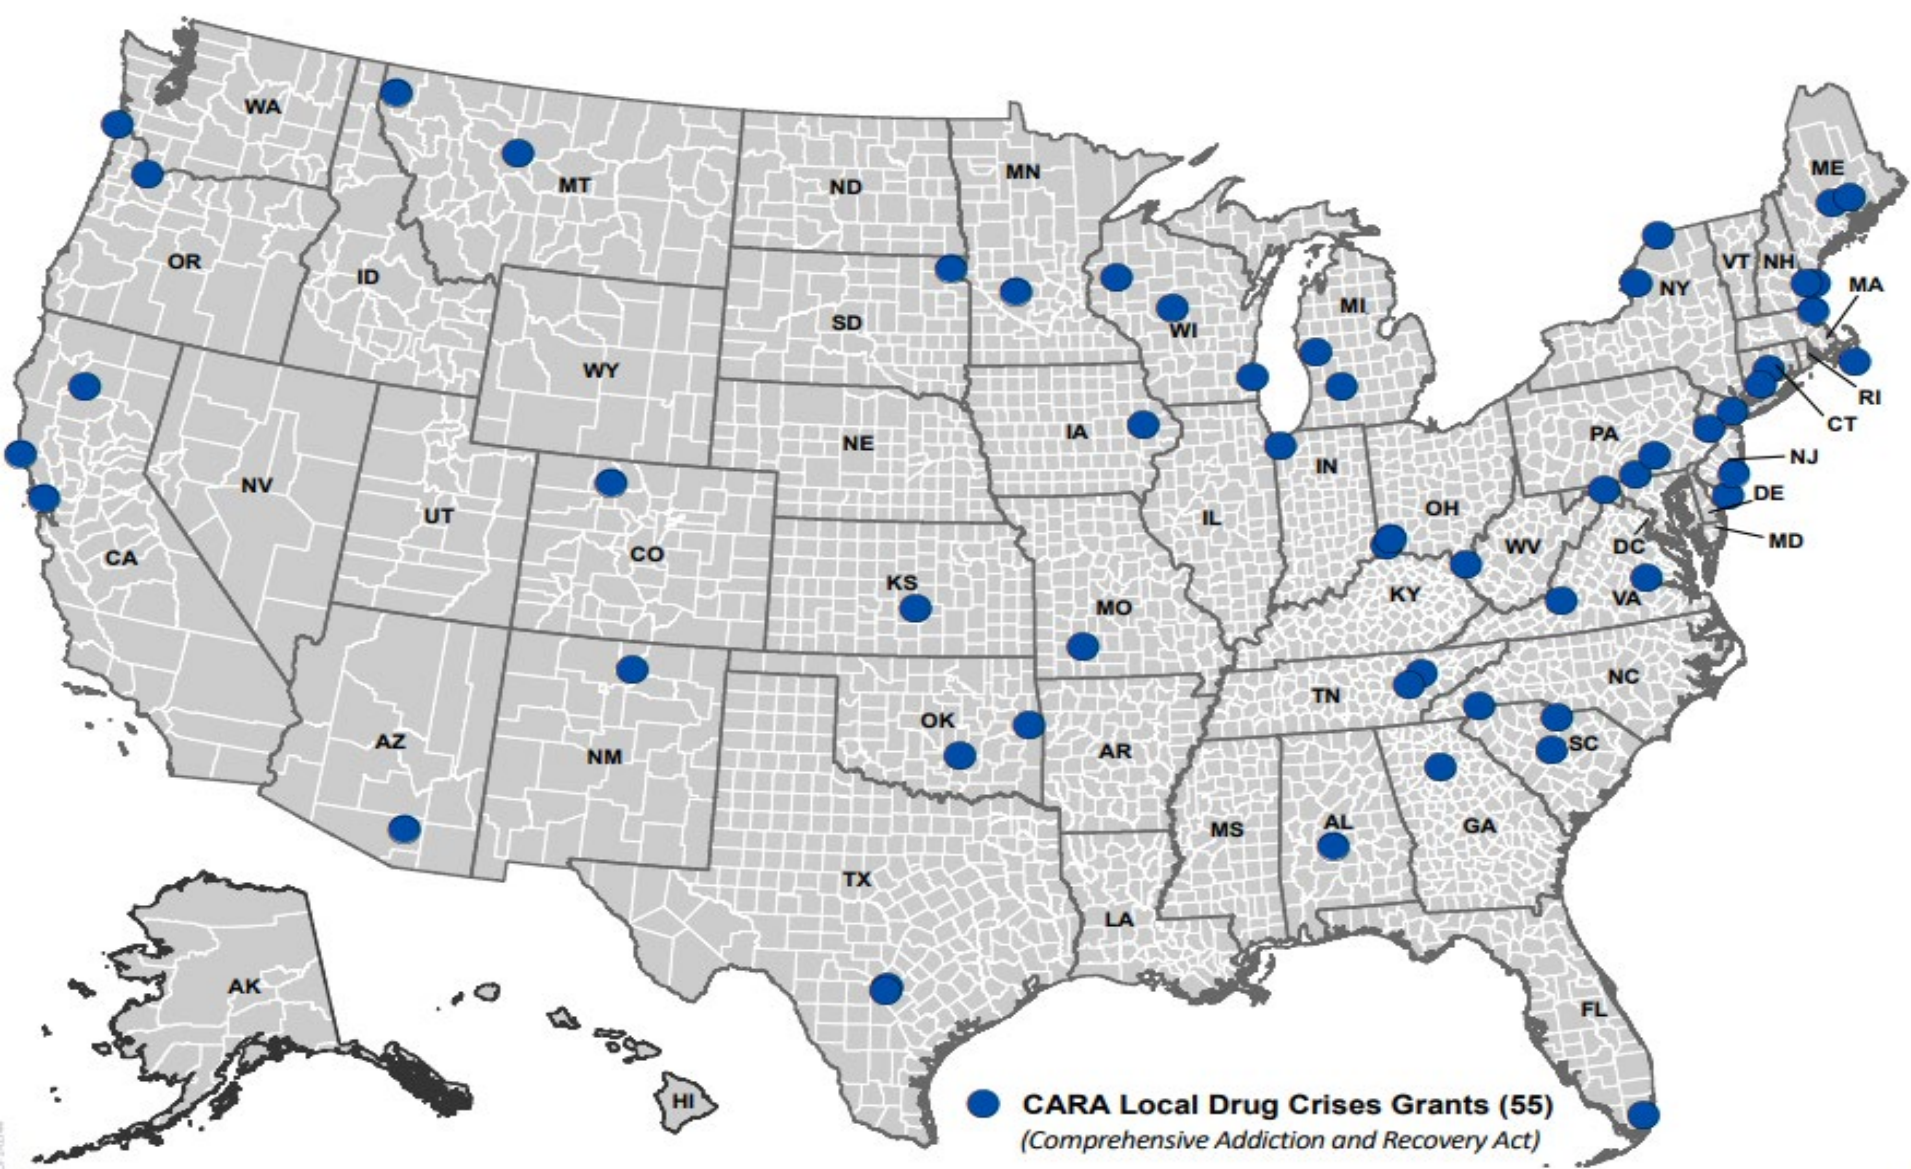

What Does it Fund? The goal of this program is to prevent and reduce the abuse of opioids or methamphetamines and the abuse of prescription medications among youth ages 12-18 in communities throughout the United States.

Who's Eligible? The statutory authority for this program (Section 103 of the Comprehensive Addiction and Recovery Act) limits eligibility to domestic public and private nonprofit entities that are current or former Drug-Free Communities (DFC) Support Program recipients.

How Much Money Can I Get? Up to \$50,000 per year for three years

When's it Out? Summer 2021

WWW.WHITEHOUSE.GOV/ONDCP/GRANTS-PROGRAMS

“In order to create safe and healthy places for the next generation, we must break through to our children now and educate them about the dangers of substance use. The Drug-Free Communities, administered by our office across the United States, are proven prevention programs tailored to do just that by meeting the specific needs in each community.”

Jim Carroll
ONDCP Director

USDA LAUNCHES INTERACTIVE DATA TOOL TO HELP RURAL COMMUNITIES ADDRESS THE OPIOID CRISIS

(Click image to navigate the interactive Community Assessment Tool)

Assistant to the Secretary for Rural Development, Anne Hazlett, announced the launch of an interactive data tool aimed to empower community leaders in fighting the opioid epidemic. “Under the leadership of President Trump, USDA is committed to being a strong partner to rural America in addressing this monumental challenge,” Hazlett said. “Local leaders in small towns across our country need access to user-friendly and relevant data to help them build grassroots solutions for prevention, treatment and recovery.”

- In 2018, USDA partnered with NORC to develop an interactive online community assessment tool to provide local leaders with access to user friendly and relevant data.
- This was created to respond to a need in rural communities to better understand the problem at their door step.
- This was created with the local community leader in mind, to help make the data simple and help start a conversation.
- The tool can be found here:
<https://opioidmisusetool.norc.org>

Federal Rural Resources Guide

One Stop Shop for Rural Resources

ONDCP and USDA Releases Joint Federal Resource Targeted at Rural Communities to Help Address Substance Use Disorder and Opioid Misuse

November 2, 2018

ONDCP AND USDA RELEASES JOINT FEDERAL RESOURCE TARGETED AT RURAL COMMUNITIES TO HELP ADDRESS SUBSTANCE USE DISORDER AND OPIOID MISUSE

ONDCP and USDA “unveiled a listing of Federal programs that can be used to build resilient communities and address opioid misuse in rural communities. The Rural Resource Guide is the one-stop-shop for rural leaders looking for Federal funding and partnership opportunities.”

“Many rural communities in America have been especially hard hit by the opioid crisis. ONDCP and USDA partnered to create this guide to help them find the Federal resources that can help them respond.” – Jim Carroll, ONDCP Deputy Director

“Strong and healthy communities are a cornerstone for prosperity in rural America. Under the leadership of President Trump, USDA is committed to empowering rural leaders with tools to better leverage state, local and private resources with federal investment.” – Anne Hazlett, USDA Assistant to the Secretary for Rural Development

- ONDCP and USDA collaborated to develop a Federal Resource Guide.
- It was developed by the Federal Interagency Taskforce co-chaired by ONDCP and USDA.
- Collected Data from multiple agencies.
- This is an important tool for the Grant Writers and stakeholders looking to take advantage of Federal resources.

October 2018

Federal Rural Resources Guide: Snapshot

Federal Resources for Rural Communities to Help Address Substance Use Disorder and Opioid Misuse

Thursday, October 11, 2018

In May 2018, the Office of National Drug Control Policy (ONDCP) stood up a Rural Opioid Federal Interagency Working Group to help address the opioid crisis by improving coordination of and reducing potential overlap among the Federal responses in the Nation's rural communities. The IWG is co-chaired by ONDCP and USDA. This document is the first output, a guide to the resources that can help make a difference in your communities.

Addiction Policy Forum collaborated with [Community Anti-Drug Coalitions of America](#) to develop [What is Prevention?](#) a three-part video series that explains the nuts & bolts of evidence-based prevention and seeks to empower everyone to play a role. Please take a look.

Funding Opportunities

[Bader Philanthropies, Inc.](#) is issuing a Request for Proposals for agencies interested in working with key community stakeholders to engage in using technology (such as transportation) to reduce social isolation, increase social and community engagement and improve quality of life for adults in rural communities. The deadline to apply is **October 18, 2019**.

[The AARP Foundation](#) Funding Opportunity: Improving Social Connectedness & Food Security in Older Adults. The focus is on projects showing evidence that low-income older adults who participate in the proposed project experience improved social connectedness or increased food security. Both RFAs will support nonprofit organizations with projects that fall under Direct Service, Research, Education, Outreach, and Field-Building. **The deadline to apply October 18, 2019.**

[The TD Bank Charitable Foundation Is Offering Housing For Everyone Grants](#) in the communities served by the bank in Connecticut, Delaware, Florida, Maine, Maryland, Massachusetts, New Hampshire, New Jersey, New York, North Carolina, Pennsylvania, Rhode Island, South Carolina, Vermont, Virginia, and Washington, DC. The Foundation's 2019 Housing for Everyone grant competition focuses on "refurbishing to increase affordable rental housing." Support will be provided for programs that provide access to safe, clean, physically accessible affordable housing units for families, individuals, the elderly, new Americans, veterans, people with disabilities, women, and youth. **The deadline to apply October 25, 2019.**

[The Jean Griswold Foundation](#) is offering grants for programs that enhance the quality of life for low-income seniors and adults with disabilities who choose to age in place. The Foundation offers support to organizations located within a 25-mile radius of Griswold Home Care offices in 29 states. The Foundation's funding priorities focus on programs that provide services such as home delivered meals; transportation; friendly visitors; home chores and repairs; hospice; and respite and caregiver support. The Foundation also supports local community and grassroots organizations that provide other programs and services with the intent of helping those of limited financial means to age in place. The deadline to apply **October 31, 2019**.

[The Department of Veteran Affairs – Highly Rural Transportation Grants:](#) The VA is offering a grant for transportation of veterans in highly rural areas (VA-HRTG-NEW-2019). It is for potential first time grantees and is a grant-based program that helps Veterans in highly rural areas travel to VA or VA-authorized health care facilities. This program provides grant funding to Veteran Service Organizations and State Veterans Service Agencies to provide transportation services in eligible counties. The deadline to apply, **October 31, 2019**.

CDC's Injury Appropriations (millions)

CDC's Approach: Overdose Prevention

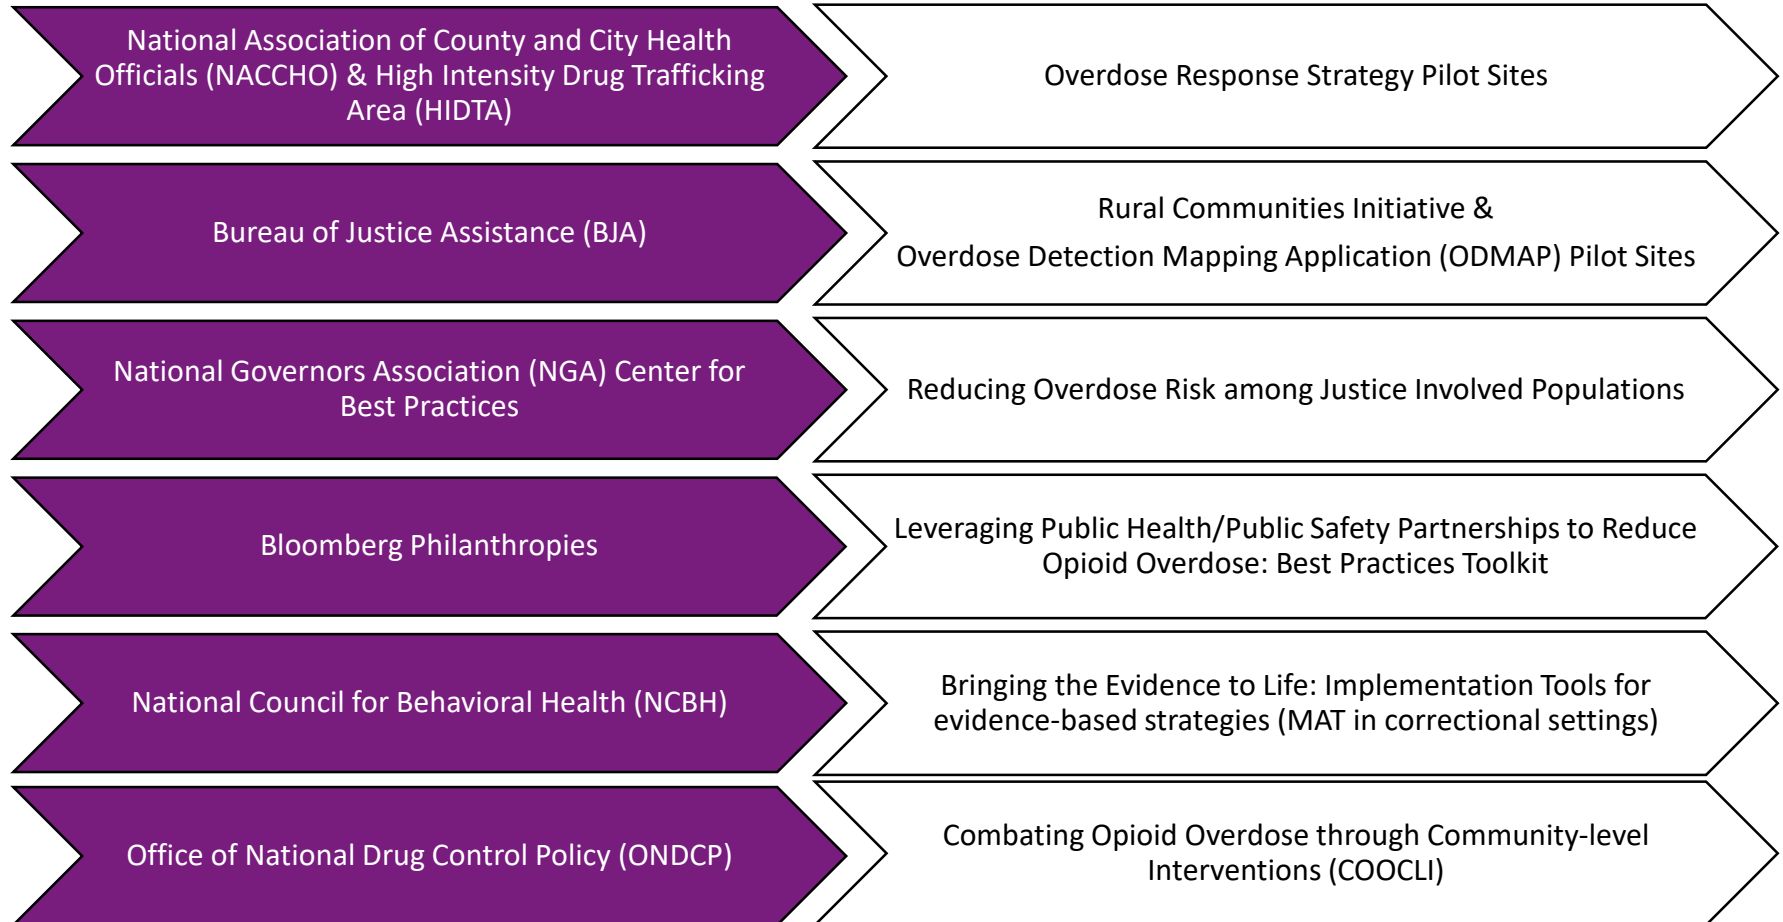

Reaching Those Hit Hardest

Integrating State and Community Action

20 percent of OD2A funds must go to local level to spur innovation and ensure support reaches hardest hit communities

CDC Public Health/Public Safety Partnerships

Combatting Opioid Overdose through Community Level Intervention (COOCLI)

Example COOCLIs

- Expanding Access to Medication Assisted Treatment in Cuyahoga County Jail, OH
- Multi-Sector Incarceration Alternative and Harm Reduction Approaches to Combat the Opioid Epidemic in Rural Arizona in Kingman, AZ
- The Peer Response Initiative: Peer and Police Wellness Visits to those who have Overdosed, in Broome County, NY
- The Martinsburg Initiative: Reducing Likelihood of Substance Use/Abuse by Reducing and Mitigating Adverse Childhood Experiences (ACEs) for Children in Martinsburg, WV

Collaborators

Public Health Crisis Response

- FY 2018 Consolidated Appropriations Act and Accompanying Report includes funding appropriated for CDC to:
 - “Advance the understanding of the opioid overdose epidemic and scale up prevention activities across all 50 States and Washington, D.C.”
- CDC-RFA-TP18-1802 Cooperative Agreement for Emergency Response: Public Health Crisis Response
 - To award a portion of these funds to those affected by the opioid epidemic.

**Critical to Responding to the
Opioid Overdose Epidemic**

A long, multi-arched stone bridge spans across a wide river at dusk. The bridge is illuminated with warm lights along its top edge, and the arches are reflected in the water below. In the background, the Washington Monument stands tall against a dark, cloudy sky.

A Local Perspective

National Association of County Administrators

Opioid Programs in Loudoun County, VA

Adult Drug Court

- Collaboration was critical to addressing this issue
 - Multi-year, multi-department planning and evaluation process
- Funding Commitment
 - \$500,000 grant from the Department of Justice's Office of Justice program Adult Drug Court Discretionary Grant Program
 - Local funding – existing staff resources including Judges
- Used to establish the Loudoun County Adult Drug Court at a service level of 25 participants
 - Currently serves 21 participants

Other Programs in Loudoun County, VA

- Revive! Opioid Overdose and Naloxone Education Training (Virginia-funded)
- Law enforcement and first responders trained to administer and carry Narcan (foundational, private grants)

Opportunities to Watch

Adult Drug Court Discretionary Grant Program

- **What Does it Fund?** This program provides funding for the implementation and enhancement of adult drug court services, with an emphasis on opioid abuse reduction
- **Who's Eligible?** States, territories, state and local courts, local governments, and Indian tribes
- **How Much Money Can I Get?** Up to \$500,000
- **When's it Out?** Q1 of 2020

Opioid Affected Youth Initiative

- **What Does it Fund?** This program supports the development and implementation of an effective, data-driven, coordinated response that addresses the abuse of opioids and provides services to improve public safety and outcomes for children, youth, and their families
- **Who's Eligible?** States, local governments, and Tribes
- **How Much Money Can I Get?** Up to \$1 million
- **When's it Out?** Q1 of 2020

First Responders: Comprehensive Addiction and Recovery Act (FR-CARA) Grants

- **What Does it Fund?** The purpose of this program is to allow first responders and other key community members to administer a drug or device approved by the FDA that can be used in the emergency treatment of suspected opioid overdose. Award recipients will train and provide resources to first responders.
- **Who's Eligible?** States, local governments, Indian tribes
- **How Much Money Can I Get?** Up to \$500,000
- **When's it Out?** Q1 of 2020

Distance Learning and Telemedicine (DLT) Grant Program

- **What Does it Fund?** This program funds the use of telecommunications-enabled information, audio and video equipment, and related advanced technologies by students, teachers, medical professionals, and residents in rural areas
- **Who's Eligible?** States, local governments, Indian tribes, non-profit organizations, and incorporated organizations. *Projects must be located in a rural area.*
- **How Much Money Can I Get?** Up to \$500,000
- **When's it Out?** Q4 of 2019

TFG Special Report on the Opioid Crisis

- Highlights 37 federal grant opportunities available to states, local governments, and non-profit organizations
- Programs chosen for inclusion provide funding for prevention, education, public safety, and treatment
- Includes “open eligibility” grant opportunities, which allow multiple different entities to apply

A low-angle, upward-looking photograph of the United States Capitol dome in Washington, D.C. The dome is white with a ribbed structure and a central lantern. The sky is blue with scattered white clouds. An American flag is visible on a pole in the lower right foreground.

Looking Ahead to 2020

2020 Predictions

- Justice Reinvestment Initiative: Reducing Violent Crime by Improving Justice System Performance
- Comprehensive Opioid Abuse Site-Based Program (COAP)
- Juvenile Drug Treatment Court Program
- Strategies for Policing Innovation (SPI)

2020 Approach

- **Total:** \$1.8 billion in funding to states to continue to combat the opioid crisis
- **HHS:** \$932 million to all 50 states as part of its States Opioid Response Grants program
- **CDC:** \$900 million in *new* funding to the CDC for a three-year cooperative agreement with states, territories, and localities to advance the understanding of the opioid epidemic and scale-up prevention and response activities
- **Other Agencies:** Expectation is that funding levels will remain the same or slightly increase
