ZACHARY HANCOCK

Professional Experience

TFG LLC, Washington DC (November 2023 – Present)

Grants Data Analyst

Select Portfolio Servicing, Salt Lake City, UT (2021 – 2023)

Analytics Analyst I

- Developed and implemented mortgage modification programs using Python to increase future development efficiency and current model accuracy.
- Validated and redeveloped internal predictive statistical models used in loan servicing, write-off decisions, and mortgage modifications.
- Transferred existing legacy SAS code into Python to increase offshore engagement in code development and maintenance.
- Collaborated with loan administration teams and senior management to translate business requirements into code.

TFG LLC, Washington DC (2019)

Policy Research Intern

- Tracked updates to pending laws, regulations, and appropriation bills, and crafted memos to inform clients about relevant changes.

EDUCATION

Brigham Young University (2021)

Bachelor of Science in Economics
